Congratulations to Ryan and Joanna Murray! They welcomed Alister Patrick Murray on 2/21/10. He was 8 pounds and 20.5 inches. Don't forget to let us know if you or another RSA member could use a meal!

Description in 50 words or less.

No pictures please. This is just a printed list of details, for driving around.

Courtney will compile a list of all participants and include it with the Resident Welcome Letter.

Interested Incoming Residents/Fellows/Medical Students can use this list to tour available homes, on Saturday 3/27/10, from 10 am to 6 pm, in an Open House environment. This is an excellent way to showcase your home, directly after Match Day.

This event is not mandatory, only an addition to the benefit of listing your house on the RSA website. You must have your information sent to Courtney by **March, 1, 2010** to be included. Information will not be accepted after March 1, 2010.

Thank you to everyone who has chosen to list your house on the RSA website. We will be working hard to keep the website up to date with the most current information. If your house has sold or is under contract, please let us know so we can mark it as such. It will allow the new residents looking for houses to better narrow their search.

As in years past, if you have some items you are looking to sell to lighten your next move, please email a list with short description and price to wfubmcrsa@yahoo.com and a list of items will be sent to members. Please have the subject of the email read ITEMS FOR SALE since there is quite a bit going on with RSA at this time and we want to make everything as easy as possible for everyone.
