I have extensive knowledge of our local market as well as a nationwide network of Realtors to assist you with all of your real estate needs.

I utilize a comprehensive marketing plan to get your home as much exposure as possible during the listing period. When you list with me, I make it my goal to ensure you get the most profit out of your home in the least amount of time with as little stress as possible.

When you decide to purchase a new home, take advantage of my negotiating skills to get the best representation one can find.

Here is what former Residents have to say about my level of service:

“Brad is an exceptional Realtor. When we moved here 3 years ago he was so helpful that he made the whole process go smoothly. His experience in the housing market is phenomenal.”

“We had an excellent experience working with Brad. He provided us fantastic guidance and he was able to help us sell our house in a down market. His attention to every detail was impressive. We would highly recommend him if you are buying or selling a house.”
