A Testimonial --

John Hersome helped us to find our home when we moved to Winston-Salem from Ohio and only had one weekend to look for houses. It was also our first home, so we were very anxious about the process. John was amazing! He worked with us all weekend, and was extremely good at finding homes that fit our criteria. He also knew the area extremely well. We found our perfect house and we have lived in it for almost 5 years now. John also helped to guide us through the home buying process every step of the way. I think he's a terrific realtor and a great guy. I would definitely recommend him to anyone looking to buy or sell a home in the area.
