**Our Winston-Salem Office**

As the spouse of a WFUBMC resident, I am quite familiar with the process of beginning your residency. The excitement of match day gives way to the reality of negotiating all the particulars and logistics of moving to a new area to begin your medical career. The "to-do" list can be overwhelming, but a good real estate attorney can help ensure that your closing runs smoothly.

I believe it is imperative for a good closing attorney to communicate directly with clients, which is why you will be able to speak with me, and not a real estate assistant. I will keep you informed and gladly answer any questions you may have during the buying process.

Congratulations on matching at Wake Forest. Welcome to Winston-Salem and I wish you well with settling in and starting your career!
